Things to Know

Sock Policy

For hygiene reasons adults must wear socks on the play floor. Please bring a pair with you. Children should ideally be barefoot as their toes are needed for balance and grip.

Play times

All current enrolments include unlimited access to our play gyms. This is a time for children, their siblings under the age of 5 years and their parents to explore our unique play equipment.

Sickness / Make up class

For the consideration of all, please do not bring a sick child to class. Missed classes can be made-up in another age-appropriate class before the end of your enrolment. No extensions will be made to the enrolment for missed classes.

Siblings

Non-mobile babies can be brought to class with a registered sibling but must be in a baby carrier or a baby chair. Non-registered, mobile siblings cannot be brought to class. Please ask about our family class.

Parent Participation

Parents are an important part of Gymboree Play & Music programs. We ask all parents to follow the teacher's lead and encourage your child to participate in the class activities. Parents accept responsibility for assuring that each child is at all times accompanied and supervised by at least one adult. Please stay within a hug's reach of your child at all times.

Gymboree birthday party

Gymboree has all the ingredients for a fantastic party !

You can rent our space for 2 hours for CHF 390 (there is a 10% discount for Gymboree Geneva members). Children and parents play together around our specially designed equipment. You bring the snacks and drinks for the adults and children.

You can make your birthday boy or girl feel extra-special with a private, personalised party experience. An enthusiastic Gymboree teacher will lead your child and his or her friends through age-appropriate activities and games and parachute time and bubbles for CHF 150 (Please note that it is not possible to bring in exterior animation). Helium balloons and extra play time are also an option.
